Dear Sir,

Sub : Implementation of New MDG and revision in the dealers commission

CIPD met at Lukhnow on 6th and 7th April 2013. The dealers fraternity requested you to meet the office bearers of CIPD to discuss and resolve :-

- a. Revision in the dealers commission due on 1st April 2013.
- b. Implementation of new MDG guidelines in the mutual interest of the OMC and the Dealers. To also discuss few issues in MDG that deny a Dealer natural justice.
- c. The dealers have raised serious note of concern on one of the oil company is pressurizing and also forcibly sending the lubricating oils and adjusting the value of the said lube oils against the payment received in respect of MS and HSD. This has resulted in the outlets going dry of MS and HSD and dealers are put in to avoidable inconvenience by the Public and the District collector. We request that OMC to desist from this unhealthy practice.

We are looking forward to hear from you for a meeting with the convenient date.

Thanks & Regards.

Ravi Shinde

Gen. Secretary - CIPD
